

SAFEGUARDING PLAN - POST SAFEGUARDING REVIEW

This Safeguarding Plan template can be developed alongside the review to list actions and gaps identified through the review process.

The objectives of the self-review and the continuous improvement action plan are to:

- Build and strengthen a culture of Safeguarding children and vulnerable adults within the parish/catholic entity community.
- Support and assist parishes and catholic entities within the Catholic Diocese of Christchurch to understand, implement and comply with the Five Standards for Creating and Maintaining a Safeguarding Culture.
- Support and assist parishes and catholic entities within the Christchurch diocese to understand, implement and comply with legislative requirements, reporting obligation and National Safeguarding policy, protocols, and guidance documents.
- Identify potential risk of harm to children and vulnerable adults across all diocesan entities for continues improvement strategies to protect children, young people, and vulnerable adults.
